C2HR Expands Free Educational Offerings for HR Professionals Launches Webinar Series with December 12 Program on Diversity & Inclusion

NAPERVILLE, ILL., November 14, 2019 — On the heels of last month’s launch of its HR Roundtables, today Content & Connectivity Human Resources (C2HR) announced it will also offer free webinars for its membership community of 4,300 HR professionals.

“A year ago, C2HR’s board of directors developed a bold strategy to rebrand our 25-year old association not only with a new name and logo, but with an expansion of resources and educational programs tailored for human resources professionals in the complex, ever-changing technology, media and entertainment industry. We’re pleased to introduce free HR webinars as our newest offering,” said Pamela Williams, CAE, executive director of C2HR.

C2HR’s first webinar, titled “Creating Cultures of Belonging Where Everyone Can Thrive,” will be held on December 12 at 2:00 p.m. ET. The webinar will feature insight from **diversity and inclusion expert Jennifer Brown** who will draw upon years of work with leading organizations to share how a focus on inclusivity can drastically change the day-to-day reality for colleagues and the trajectory of an organization. Brown will identify simple steps to show how anyone can, and should be, an inclusive leader by helping participants understand their role, boost self-awareness and take action. This C2HR webinar is free, but advance registration is required at <https://c2hr.org/events/webinar-series/>.
